What is your experience in working on 8(j) and/or on related issues?

Which 8(j) and/or on related meetings have you attended?

What work have you done nationally on 8(j) and/or on related issues?

What work have you done internationally on 8(j) and/or on related issues?

Have you written or assisted writing on 8(j) and/or on related issues any lobbying documents/briefing papers and if so, please include a copy if possible or a brief description:

Please explain your interest in working on the 8(j) issue and what work you would plan to conduct at these meetings:

How would you take what you learn at the meetings you would attend back to your organisation/community, etc.?

If awarded this partnership support for the coming 2 years can you commit to the following:

- a) attending all 2 (possibly 3) of the following meetings, including pre-meeting strategy sessions:

*2 - 6 November 2009  
Montreal, Canada*      *Sixth meeting of the Ad Hoc Open-ended Working Group on Article 8(j) and Related Provisions (WG8J 6)*

*TBA 2010*      *Seventh meeting of the Ad Hoc Open-ended Working Group on Article 8(j) and Related Provisions (WG8J 7)?*

*18 - 29 October 2010  
Nagoya, Aichi Prefecture, Japan*      *Tenth meeting of the Conference of the Parties to the Convention on Biological Diversity (COP 10)*

- b) doing national lobby work on this issue in the next 2 years? Please indicate what this would entail:
- c) doing international lobby work on this issue in the next 2 years? Please indicate what this would entail:
- d) writing one briefing/lobbying paper per meeting on the issue of 8(j) and related issues?
- e) engaging in other forms of outreach (via the ECO, the Undercover COP weblog, etc.) on this issue?
- f) completing a participant questionnaire within 30 days of each meeting's end date?

Finally, in what other ways could you work with the CBD Alliance on the issue of 8(j) and related issues? Please explain.
